Highlights	Redevelopment Opportunities for Women, Inc. is offering 8 IDAs for homeownership, microenterprise, and post-secondary education. The match rate is \$2 to \$1. In addition to core training, services include employment support, childcare, transportation, crisis management, structured planning exercises, mentoring, peer support, counseling, and credit repair.
Target Population	Women residing in St. Louis City and County, Missouri who are impacted by intimate partner violence.
Grantee/Collaborative Description	Redevelopment Opportunities for Women, Inc. is a social service nonprofit agency. There are 15 partner agencies working on this project—primarily domestic violence projects and homeless service agencies. Among them are the National Endowment for Financial Education, United Way of Greater St. Louis, and the Center for Enterprise Development. US Bank is the financial institution partner and is holding the project reserve account and participant IDAs.
